19 IT IS HEREBY STIPULATED, by and between the parties to this action, that the supervised
20 release violation motion date in this case with respect to Charles Redden, currently scheduled for
21 Thursday, February 4, 2010, at 2:00 p.m. before Honorable Vaughn R. Walker, may be continued
22 three weeks to Thursday, February 25, 2010 at 2:00 p.m. for supervised release violation motion or
23 status. The reason for the request is that Mr. Redden has medical tests which were scheduled for
24 Thursday afternoon, February 4, 2010 relating to his recent diagnosis of cancer and he would like
25 these medical tests to proceed as scheduled. If the Court date is not continued, Mr. Redden will be
26

brought to court and his medical tests will be cancelled and it is unclear how quickly they will be rescheduled. In addition, the first available date after February 4, 2010 that government and advisory counsel are available is February 25, 2010. There is no need to exclude time under the Speedy Trial Act as the matter relates to Mr. Redden's supervised release. United States Probation Officer Octavio Magana also has been notified of the proposed continuance.
